

7 Garden Cheats Resource List

Introduction

More free garden training at [Born to Grow](#)

CHEAT 1: How our #1 best garden fertilizer can double your harvest (and how it did it for us)

[Down to Earth Vegan Mix](#)

[BioThrive](#)

CHEAT 2: How to use our 3-step proven aphid cure formula to kiss aphids goodbye forever

[Organic Insect Killing Soap \(concentrate\)](#) (I used [Lemon Brite](#) kitchen dish soap by Melaleuca. It is much more natural than other dish soaps but to stay completely organic I'd suggest going with the organic insect killing soap made by Safer Brand)

[BioThrive](#)

CHEAT 3: What NOT to do with tomato hornworms and our no-fail worm/caterpillar treatment plan

[DiPel](#)

CHEAT 4: How one NEW weeding trick kills weeds while you sleep

[Silage Tarp](#) (My cousin Jonathan sells these. Super cool stuff. :)

CHEAT 5: How our Stale Seedbed Method knocks out 70% of weeds before you even see them

[Colinear Hoe](#)

CHEAT 6: Instant gardening: how to grow food ANYWHERE with up to 40x more nutrients and harvest it in only 14 days or less (so simple your 6 year old can do this!)

[Microgreens Materials and Resources](#)

CHEAT 7: How our proven game plan grows an abundance with up to 50% less work

[Born to Grow Pro Membership](#)

SUPERFOOD GARDEN: How much can you grow in 100 square feet?

[Most Profitable Vegetables for Your Garden](#) (value per square foot)

Hey, we like transparency. So to be completely open with you, some of the above links go to products that we have an affiliate relationship with. That means if you order through our link we'll get a commission. So, while we suggest and have used the above resources ourselves (unless otherwise noted) we always encourage you to do your own research before purchasing anything.
