

3-Step Pest Control Class Resource List

Introduction

More free garden training at [Born to Grow](#)

STEP 1: Nuke 'em!

Caterpillars/Worms

[DiPel](#)

Aphids

[Organic Insect Killing Soap \(concentrate\)](#) (I used [Lemon Brite](#) kitchen dish soap by Melaleuca. It is much more natural than other dish soaps but to stay completely organic I'd suggest going with the organic insect killing soap made by Safer Brand)

Beetles and Bugs

[Organic Insect Killing Soap](#) (concentrate)

[Diatomaceous Earth](#) (food grade)

STEP 2: Organically Fertilize

[BioThrive](#)

[Down to Earth Vegan Mix](#)

STEP 3: Water it in

[Garden Hose Filter](#)

Take it to the next level: Come join the family!
